

## Learn the facts to help your clients feel protected

The supplemental health market is always shifting – especially when it comes to regulations – so keeping up can be a lot of work. We’d like to take some of it off your shoulders.

If you have client groups with more than 50 employees, we invite you to join us for the next webinar in our 2024 series, focusing on supplemental health. We’ll share insights and updates about the evolving marketplace and how best-in-class solutions from UnitedHealthcare Supplemental Health – including enrollment and technology – rise to the challenge.
