Virtual Visits Availability Expanding in 2016

Earlier this year UnitedHealthcare announced coverage for virtual visits would be available to some self-funded customers in 2015. Additional plans for expansion in 2016 include upon renewal, self-funded customers and fully insured customers when we have approval from your state's regulatory body.

New Critical Illness Plan Introduced

See how our new Critical Illness Protection plan provides a cash benefit to help fund employees' out-of-pocket expenses after a major illness.

Latest Prescription Drug List Updates

Review the latest **PDL Tracker** for a recap of Prescription Drug List (PDL) changes outside our Jan. 1 and July 1 pharmacy benefit updates.

Pharmacy

- **Immunotherapy Cancer Treatment:** Learn how immunotherapy uses the body's own immune system to fight cancer. The therapy has moved from an intriguing field of research to one of the most rapidly growing areas of treatment with the potential to be more effective, and in some cases less toxic, than many of today's existing options.
