University Hospital Joins
UnitedHealthcare and Oxford Networks

At UnitedHealthcare, we strive to support clients with access to quality, affordable health care that's close to home and work. We are pleased to inform you that we are further strengthening this commitment with a successfully negotiated managed care contract between UnitedHealthcare and University Hospital, located in Newark, New Jersey.

Beginning on August 1, 2014, more than 250,000 northern New Jersey residents enrolled in UnitedHealthcare and Oxford employer-sponsored and individual health plans **have in-network access to University Hospital** . Relay this good news to your clients in northern New Jersey.

The addition of University Hospital to our networks gives these plan participants, in particular, another option for receiving convenient hospital services at the in-network benefit level.

For more information about our network participating hospitals, brokers, employers and plan participants should refer to our websites:

- **uhc.com**
- **oxfordhealth.com**

Plan participants may also call the phone number on their health plan ID card for assistance with locating a network participating hospital.

If you have questions about this notice, please contact your sales representative.
