St. John's Episcopal Hospital Remains Participating

We're pleased to announce that UnitedHealthcare has reached a new agreement with St. John's Episcopal Hospital.

St. John's Episcopal Hospital, located in Far Rockaway, New York, will stay participating with both the UnitedHealthcare and Oxford networks for all commercial fully insured and self-funded products.

Members may continue to use St. John's Episcopal Hospital on an in-network basis, with no disruption in care. Samples of the letters we're sending to impacted members who got our earlier notice about the potential network disruption are included below for your reference.

Our responsibility and commitment to our members and employers is to balance affordability and access. As such, we will continue to advocate on their behalf in future hospital negotiations to ensure that we deliver access to affordable health care services.
