

# THE AFFILIATED PHYSICIANS AND EMPLOYERS HEALTH PLAN HAS ANOTHER OPTION FOR YOUR HEALTH REPUBLIC OF NEW JERSEY (HRINJ) SMALL GROUP CLIENTS

## TAKE A LOOK AT THE CHOICES AFFILIATED PHYSICIANS AND EMPLOYERS HEALTH PLAN HAS TO OFFER FOR YOUR SMALL GROUP CLIENTS.

As you may or may not have heard by now, Health Republic of New Jersey (HRINJ) will no longer be an option for New Jersey business in 2017 while they work with the state on future plans.

For those HRINJ **small group** (non-individual) clients who will need to seek coverage elsewhere for the fourth quarter of 2016 and 2017, we have an option that will provide your clients with the least disruption to their provider network and overall service.

The Affiliated Physicians & Employers Health Plan (APEHP) utilizes the same exact networks as HRINJ, as well as the same plan administrator QualCare Inc.
