

**ANNOUNCING THE 2020  
SALES LEADERS CONFERENCE**

Want to know what your 1/1/2019 Med Supp business counts towards?

Bankers Fidelity invites you to indulge in pura vida, or "pure life", as we embark on our annual adventure and explore Costa Rica on May 7-12, 2020. Not only will you be taken by the tropical scenery, you will also find your zen at the world class [Four Seasons Hotel](#).

Known for its scenic rainforests, ethereal cloud forests and rich variety of colorful animals, this Central American country is a dream come true for eco-tourists. Outdoor adventures are plenty, including zip lining, river rafting, sport fishing and, of course, surfing.

If escaping the day-to-day is more your speed, Costa Rica is the perfect destination to relax, rejuvenate and renew your spirit. Unwind at a spa offering treatments using locally-sourced volcanic mud and forget your cares on a sun-kissed beach. After a day of pampering, including the finest in farm-to-table cuisine, head up to your sumptuous, modern room and let the gentle sound of the waves serve as your soundtrack as you drift off to sleep, ready for the next day's experiences.

Can't wait to pack your bags? Get a head start with your January 1, 2019 Med Supp business! It will get you one step closer to five nights of pampered bliss on the Pacific Ocean. Additional details, including qualifications, are coming soon, so start planning ahead and prepare to get lost in the lush and luxurious delights of Costa Rica.
